## Report of Principal and School Improvement Council

Waterree Elementary School is moving upward! Under the 2012 ESEA waiver from No Child Left Behind, we scored 93.5, an A rating, which "substantially exceeds the state's expectations." We also maintained our prior year School Report Card Absolute Rating of "Good" and Growth Rating of "Average." In addition, we met the state's student attendance goal with 96.4% student attendance.

As a Title I School in 2012-13, all Title I funds were spent prudently, including a plan to enhance our instructional technology and put the school on a five-year rotation schedule for technology updates. New computers replaced both of the student computer labs and all teacher laptops; printers, scanners and document cameras were placed in all classrooms. Title I funds also paid for a certified teacher to tutor struggling students in kindergarten through second grades. All students in the program showed measurable gains! We added Irene Fountas' and Gay Su Pinnell's Leveled Literacy Intervention program for third through fifth grade tutoring, resulting in increased student interest and faster gains in reading! IXL assessments were purchased for special needs children to hone in on the most vital curricular areas with the least growth. Waterree's Response to Intervention student assistance team remained a very strong and effective component in pulling together plans and resources for making students as successful in school as possible.

In math, teachers focused heavily on learning the basic math facts of addition, subtraction, multiplication and division to create a strong foundation on which to build additional skills. Many students commented that math problems became easier and less time-consuming than before. In science, WES will no longer refurbish FOSS Kits but will use grade level classroom kits built from scratch based on the blended SC Academic Standards and Common Core State Standards. Classrooms will continue to use Social Studies Weekly student newspapers next year.

Character education is integrated into all areas of school, and WES received a PBIS Ribbon from the SC Department of Education for its ongoing strength and effectiveness. The school and community donated human hair for wigs for cancer patients, and the school raised more than \$15,000.00 for the American Cancer Society's annual Relay for Life event. These efforts helped students learn the importance of giving back to a community that so kindly gives to local schools.

Finally, the main concern of everyone at WES is student safety. We purchased a new, state-of-the-art visitor check-in system for the front office and conducted a Safe Routes to School traffic audit to improve the car rider drop-off and dismissal lines. We thank everyone for all you do to make WES students safe, happy and successful!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	96.4
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Wateree Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☒ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
